Free access to the latest World Bank knowledge products

openknowledge.worldbank.org

The World Bank's official open access repository from which the general public can freely access its research outputs and knowledge products released since 2000.

Documents related to World Bank projects and operations, plus publications and research

documents.worldbank.org

Free access to all publicly-disclosed project and institutional documents since 1946 made available in compliance with the World Bank's Access to Information Policy.

Documents & Reports

Publications for use in academic research or course content

elibrary.worldbank.org

Designed for the needs of researchers and librarians, the eLibrary contains all books, journals, and working papers since the 1990s, plus top WDI data. Features include linked references, chapter-level access, and citation tools. Note: Available only to institutions by subscription.

World Bank Group Publications in print

bit.ly/wbgpublicationsorder

Information on how to purchase print copies of WBG publications online, as well as through the World Bank's network of international book distributors.

Country, regional, and topical data and datasets

data.worldbank.org

Free and open access to global development data including World Development Indicators and hundreds of datasets, including embeddable data visualizations.

World Bank Open Data

Microdata

microdata.worldbank.org

Free access to data collected through sample surveys of households, business establishments or other facilities. These 'microdata' sets may also originate from population, housing or agricultural censuses or through administrative data collection processes.

Microdata Library

Sources and uses of development aid funding around the world

aidflows.org

A result of a partnership between the OECD, the World Bank, the Asian Development Bank and the Inter-American Development Bank, AidFlows visualizes how much development aid is provided and received around the world.

Raw data about the World Bank Group's finances

finances.worldbank.org

Publicly-accessible data related to the Bank's financials in a social, interactive, visually compelling, and machine-readable format.

Open Finances
